Chuck and Nancy Prescott
Prescott Stone Fabricators
607 Ellis Road
Building 49-A
Durham, NC 27703

The work your team did in replacing our kitchen counters exceeded our expectations. From my initial visit with Nancy, the more I learned about your approach to your work, the more comfortable I became in selecting Prescott for our project.

The stone fabrication is beautiful. The demolition and installation were performed in a very professional manner. The project schedule was timely. All of your employees were pleasant to deal with, and were very skilled in their areas of expertise.

We couldn't be happier with the work Prescott did for us. My thanks to you and your entire team for a job well done.
